

Teachers 'Feedback Analysis 2023-24

The following points can be submitted based on 28 Teachers 'feedback received online by the college.

1. The majority of the teachers consider that the existing syllabi/courses are balanced between theory and application.
2. The teachers agree that all the required books and reference books are available as per the requirement and the syllabi is relevant, updated, and cover the entire syllabus, but more books can be added to the existing list.
3. The majority of the teachers find that the syllabus of the subject increased their interests, knowledge, and perspective in the subject area.
4. The teachers agree that the college has given full freedom to adjust new techniques /strategies of teaching in the interest of the students.
5. The majority of the teachers feel that the Tests and examinations are conducted well in time with proper coverage of all units in the syllabi.
6. Teachers agreed that all required books are available in the library in sufficient numbers. They gradually need more books.
7. The majority of the teachers approve the atmosphere of the college is conducive to teaching and research.
8. The satisfaction of faculties with the administration is good.
9. The majority of the teachers are satisfied with the given opportunity and support for upgrading skills and qualifications.
10. Teachers are satisfied with the available I.C.T facilities but feel need to be augmented.
11. Teachers find that the classrooms, washrooms, and toilets are clean and properly maintained.

Suggestions/ Recommendations :

- Teachers suggested to purchase more books.
- Teachers feel need to augmentation in ICT facilities.

Action Taken Report

Based on the feedback received from 28 teachers through an online survey conducted by the college, the following actions have been taken to address their suggestions and enhance the academic and infrastructural environment:

Library Resources -While the required books and reference materials are available, as per teachers' feedback, the library committee has been directed to identify and procure additional books from online resources.

I.C.T Facilities-Teachers have suggested augmenting ICT facilities. The college has taken steps to upgrade technological infrastructure.

Conclusion:

The feedback analysis for the academic year 2023-24 reflects the faculty's overall satisfaction with the college's efforts. The institution remains committed to implementing the suggested improvements and fostering an environment conducive to academic excellence and professional growth.
